EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2023 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at <https://www.galenamining.com.au/>.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report to be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

3. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – ALEXANDER MOLYNEUX

3.1 General

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Alexander Molyneux, who has served as a Director since 1 September 2018 and was last re-elected on 29 October 2021, retires by rotation and seeks re-election.

3.2 Qualifications and other material directorships

BEC, GradDipMinExplGeoSc

Mr Molyneux is a metals and mining industry executive and financier with 20-years industry experience. He joined Galena on 1 September 2018. Prior to joining the Company, Mr Molyneux was CEO of Paladin Energy Limited (ASX: PDN) (2015 – 2018) one of the world's largest uranium companies, where he optimised its operating business and completed a US\$700M successful recapitalisation of the company and a re-listing on the ASX. Prior to that, Mr Molyneux spent approximately five years with Ivanhoe Mines Group and Ivanhoe Energy in various leadership capacities including as CEO and Director of SouthGobi Resources Ltd. (TSX: SGQ) (2009 – 2012). Mr Molyneux currently serves on a number of public company boards, including: Metalla Royalty & Streaming Ltd (TSX-V / NYSE: MTA), Tempus Resources Ltd (ASX: TMR, TSX-V: TMRR) and Comet Resources Ltd (ASX: CRL).

Prior to his mining industry executive and director roles, Mr Molyneux was Managing Director, Head of Metals and Mining Investment Banking, Asia Pacific for Citigroup. As a specialist resources investment banker, he spent approximately 10-years providing investment banking services to natural resources companies. Mr Molyneux holds a bachelor's degree in Economics from Monash University and a Graduate Diploma in Mineral Exploration and Geoscience from Curtin University (WA School of Mines).

3.3 Independence

If re-elected the Board considers Alexander Molyneux will be an independent Director.

3.4 Technical information required by Listing Rule 14.1A

If Resolution 2 is passed, Alexander Molyneux will be re-elected to the Board as a Non-Executive Director.

In the event that Resolution 2 is not passed, Alexander Molyneux will not join the Board as a Non-Executive Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

3.5 Board recommendation

The Board has reviewed Alexander Molyneux's performance since his appointment to the Board and considers that their skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the re-election of Alexander Molyneux and recommends that Shareholders vote in favour of Resolution 2.

4. RESOLUTION 3 – RE-ELECTION OF DIRECTOR – STEWART HOWE

4.1 General

Listing Rule 14.4 and clause 15.2 of the Constitution provide that, other than a managing director, a director of an entity must not hold office (without re-election) past the third annual general meeting following the director's appointment or three years, whichever is the longer. However, where there is more than one managing director, only one is entitled to be exempt from this rotation requirement.

Stewart Fraser Howe, who has served as a Director since 26 November 2019 and was last re-elected on 13 November 2020, retires by rotation and seeks re-election.

4.2 Qualifications and other material directorships

BE (Chem), ME (Mining), MAppFin, FAICD, FAusIMM

Mr Howe brings over 40 years' experience in the global resources industry including the last 20 years in mining. He spent 6 years as Chief Development Officer of Zinifex Limited, one of the world's largest miners and smelters of lead/zinc, where he directed the spin-off of Zinifex's smelters to create Nyrstar N.V. and restarted development of Dugald River Mine now owned by MMG. During the past 14 years, Mr Howe has provided advisory roles to boards, private equity and financiers related to restructuring and acquisition of mining assets in base metals and bulk commodities. Mr Howe is an experienced director, currently serving as an executive director of ASX-listed Kaiser Reef Limited (ASX: KAU) and chairing the board of Whittle Consulting Group.

4.3 Independence

If re-elected the Board considers Stewart Howe will be an independent Director.

4.4 Technical information required by Listing Rule 14.1A

If Resolution 3 is passed, Stewart Howe will be re-elected to the Board as a Non-Executive Director.

In the event that Resolution 3 is not passed, Stewart Howe will not continue in their role as a Non-Executive Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

4.5 Board recommendation

The Board has reviewed Stewart Howe's performance since his appointment to the Board and considers that their skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the re-

election of Stewart Howe and recommends that Shareholders vote in favour of Resolution 3.

5. RESOLUTION 4 – RENEWAL OF PROPORTIONAL TAKEOVER PROVISIONS IN THE CONSTITUTION

5.1 General

Section 648G(1) of the Corporations Act provides that a company's proportional takeover approval provisions, unless sooner omitted from its constitution, cease to apply at the end of 3 years from adoption or renewal as appropriate unless otherwise specified.

When the provisions cease to apply the company's constitution is modified by omitting the provisions.

A company may renew its proportional takeover approval provisions in the same manner in which a company can modify its constitution (i.e. by special resolution of shareholders)

The Company's constitution (including the proportional takeover provisions set out in clause 37) was adopted on 13 November 2020. Accordingly, the proportional takeover provisions included in the Constitution apply until 13 November 2023 unless sooner omitted or renewed.

Resolution 4 is a special resolution which will enable the Company to modify its Constitution by renewing clause 37 for a period of 3 years from the date of Shareholder approval. It is noted that Shareholder approval will not result in a change to the wording of clause 37.

The Company is permitted to seek further Shareholder approval to renew this clause for further periods of up to 3 years on each occasion.

A copy of the Constitution was released to ASX on 18 November 2022 and is available for download from the Company's ASX announcements platform.

Information required by section 648G of the Corporations Act

Effect of proposed proportional takeover provisions

Where offers have been made under a proportional off-market bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a proportional off-market bid is prohibited unless and until a resolution to approve the proportional off-market bid is passed.

Reasons for proportional takeover provisions

A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. These amended provisions allow Shareholders to decide whether a proportional takeover bid is acceptable in principle, and assist in ensuring that any partial bid is appropriately priced.

Knowledge of any acquisition proposals

As at the date of this Notice, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

Potential advantages and disadvantages of proportional takeover provisions

The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

The potential advantages of the proportional takeover provisions for Shareholders include:

- (a) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;
- (b) assisting in preventing Shareholders from being locked in as a minority;
- (c) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and
- (d) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid.

The potential disadvantages of the proportional takeover provisions for Shareholders include:

- (a) proportional takeover bids may be discouraged;
- (b) lost opportunity to sell a portion of their Shares at a premium; and
- (c) the likelihood of a proportional takeover bid succeeding may be reduced.

Recommendation of the Board

The Directors do not believe the potential disadvantages outweigh the potential advantages of adopting the proportional takeover provisions and as a result consider that renewal of the proportional takeover provision in Constitution is in the interest of Shareholders and unanimously recommend that Shareholders vote in favour of Resolution 4.
